Couva Children's Hospital

State-of-the-art health care for our nation's children is now a reality. This was evidenced on Friday August 14th, 2015 when the Couva Children's Hospital was officially commissioned. Completed within the promised delivery date and budget, the Couva Children's Hospital and Multi-training Centre for Medicine, Nursing, Pharmacology and Optometry heralds a significant advancement in medical services for the people of Trinidad and Tobago.

With the delivery of the Couva Children's Hospital, the children of Trinidad and Tobago now have a better chance at seizing the bright future they deserve.

Among the departments and services offered by the Couva Children's Hospital are:

- Diagnostic & Imaging, Surgery
- Burn & Plastics Programme
- Critical Care, Mother & Child Care
- Birthing, Paediatric Outpatient Clinic
- Adult Outpatient Clinic
- Paediatric Rehabilitation
- Pharmacy and Laboratory
- Helipad to provide helicopter access for emergency patients
