### **How does the computerized random selection work?**

|-------------------|--------------|
| 1 <sup>st</sup> – | Applicant 12 |

| 3 <sup>rd</sup> – | Applicant 17 |

- Applicant 12 becomes the selected applicant.
- Applicant 04 becomes the first reserve applicant.
- Applicant 17 becomes the second reserve applicant.
- If the Selected Applicant declines, then the offer will be made to the next applicant until a sale is made.
- The random selection will be conducted on Friday 9, October 2026 at 2:30 p.m.
- The random selection will be conducted virtually for each vehicle.
- A Microsoft Teams meeting invitation will be issued to all applicants for the random selection
- Each applicant will be invited to view the virtual random selection at the The Auditorium Conference Centre, Level 4, Government Campus Plaza, Corner Richmond and Ajax Streets, PORT OF SPAIN
- The final list of applicants will be confirmed before selection;
- The selection will be recorded;

**Does submitting my application first increase my chances of being selected?**

All completed applications for the same vehicle will have an equal opportunity of being selected.

**What happens if only one person applies for a vehicle?**

Where only one complete application is received for a vehicle, that applicant may be selected to purchase the vehicle, subject to compliance with all applicable conditions of sale and payment requirements.

**When will I receive the vehicle?**

The vehicle will not be released until full payment has been received and confirmed by UDeCOTT.

**What happens if the selected applicant no longer wants the vehicle?**

If the selected applicant fails to make payment within the prescribed period, the allocation may lapse and the vehicle will be offered to the next applicant, at the same advertised fixed sale price.
